## Mezuzah Pledge 5778

We the people of \_\_\_\_\_ have a love and unwavering belief that God's commandments are the anchor of our Biblical heritage. Government's, liberal policy agendas and Supreme Court decisions cannot and should not stop our fervent commitment to uphold the commandments of God Almighty our Creator. This is our unalienable right given to us by our constitution and our Creator. Our households choose to honor and serve God and the Holy Scriptures.

Let us join hands together across this nation and show our allegiance to put God first in our home and in our lives. Let us obey the commandments and be a light to others, in order that they may experience the heartbeat of God.

To symbolize this commitment, we are asking that each household secure a "mezuzah" to the right outside of their front door. "The Doorpost." An inscription of the Ten Commandments will be inside of the mezuzah. This is to fulfill Deuteronomy 6:9, "to write the words of God on the gates and doorposts of your house." As you enter and as you leave the house, you touch the mezuzah and then your lips, indicating you are committed to obeying these commandments in your household and as you enter the world.

This is for God's light to be seen in you "all of your days, as you come in and as you go out."

It is time for us to take back what was already ours!

Please join us in this movement TODAY!
